

THE ULTIMATE

METAL STAMPING GLOVE

Metal workers, look no further.

The hand-protection buck stops here, with Superior's **ULTIMATE METAL-HANDLING GLOVE**, a glove that protects you with over 5000 grams/11lbs. of cut resistance (ASTM 5). All in one comfy, dexterous knit glove. Heck, we'll even set you up with a **FREE TRIAL** - the Superior Ultimate Metal-handler's Glove challenge - so you can see for yourself who's the leader in cut protection.
